Poem of the Month....written by past resident W H Roberts **Reflections....**

If by chance you should behold
A man with looks of tales untold
Who strolls along the banks of Dee
With eyes reflecting fun and glee
That man is me....

If by chance you should enquire
Who is this 'Me'
Who is this 'Sire'
Who is this man in light attire
Permit me to transpire...

The man in question as a boy
Played those banks small and coy
Nigh every stick and stone he knew
It was his playground fresh as dew
Wiser now are you.
