## MAY and Ann's visits

P.A.T. DOG May and Ann's visits are proving to be a big success with everyone falling in love with May. She has such a gentle loving touch for everyone. As May and Ann's confidence grows they are both welcome to visit residents in their rooms. Both May and Ann try to join us at our Coffee morning's and they enjoyed meeting family members at the Summer fayre. If your family/friend would like a visit from Meg please let Chris know.

## Notes from the garden

As always the garden hosted our Summer Fayre looking beautiful. We have been fortunate to have spent so many pleasurable mornings & afternoons enjoying the plants and wild life this summer. We are looking forward to sampling the tomatoes growing in the green house and when able we take a little trip down to see how they are coming along. We have also been keeping a check on the bees visiting the flowers. We are pleased to report our visiting bees are looking fit, fat and healthy. We have noticed also a lot of Dragon flies some quite big all enjoying the pond.

All is needed are the plastic tumblers and any other idear's you may have to help create the atmosphere.**

### **FUND RAISING**

Gwastad's Saturday bonus ball is one our fund raisers. It works with the UK's Saturday Lottery. You pick a number from 1 – 49 and keep to it. Each number costs a £1. Our numbers stop at 49 due to not enough support to go to 59. This gives the opportunity for roll overs making it more interesting. If you have the UK's bonus ball drawn on the Saturday, You win!!! £25.00 The remaining £24.00 goes into the funds.
